Republican State Representative Garry Mize has announced he will seek re-election this year. A strong conservative, Mize was first elected in 2018. He represents District 31, which encompasses most of Logan County and far north Oklahoma County. "I grew up in Guthrie, live in south Logan County and have my business in Edmond," Mize said. "There is no other place I would rather live, work and raise a family than right here. Representing my home area in the State House is a tremendous honor, and I hope the voters give me the privilege of continuing to represent them at the Capitol."

Representative Mize lives in south Logan County with his wife, Jennifer, and their three kids, Maxwell, Maddox and Maverick. Jennifer is a UCO graduate who works as a 1st Vice President and Area Manager for business lending at MidFirst Bank. Garry's children are the fifth generation of his family to live in Logan County. Garry graduated from Guthrie High School in 1995 and earned a business degree from Southern Nazarene University.
